

Homeschool Support

Summary

Faithful Way Homeschool Solutions

State: Tennessee

Family Summary

Family: Smith Family

Student Profile: Kinesthetic/visual learner, ADHD; benefits from short, concise, interactive lessons that maintain focus and retention.

State: Tennessee

School Year: 10 months, Monday–Friday, up to 4 hours per day

Delivery Platform: Preloaded PWA Learning Hub

1. Homeschool Legal Guidance (Tennessee)

- Overview of Tennessee homeschool laws, requirements, and record-keeping.
- Step-by-step guidance for legal compliance:
 - o Annual notice of intent
 - o Portfolio/documentation expectations
 - o Assessment options (standardized testing or portfolio review)
 - o Record retention recommendations
- Recommendations for maintaining organized records and progress tracking within the PWA Learning Hub.

2. Custom Curriculum Design

Core Subjects Covered:

- Math
- Language Arts (Reading, Writing, Grammar)
- Science
- Social Studies

Curriculum Features:

- Short, interactive lessons (20–30 minutes per lesson) to accommodate ADHD attention spans.
- Multi-sensory approach: kinesthetic and visual activities integrated throughout.
- Unit-study style structure connecting concepts across subjects.
- Engaging digital content: videos, manipulatives, interactive exercises.
- Built-in opportunities for review and spaced repetition for retention.
- Lesson content aligned to Tennessee state standards.

3. Standards Alignment

For each subject, we will provide:

- Clear mapping of each unit/lesson to Tennessee state learning standards.
- Explanation of how each activity/assignment fulfills state requirements.
- Assessment strategies built into lessons (quizzes, reflections, portfolio tasks) to demonstrate progress and mastery.

4. Daily/Weekly Lesson Plan Overview

Schedule: Monday–Friday, 4 hours/day

- 4 core subjects rotated daily with flexibility to adjust pacing.
- Sample daily structure:
 - o Math (45 min) – interactive problem-solving + kinesthetic exercises
 - o Language Arts (45 min) – reading, writing prompts, and visual comprehension tasks
 - o Science (45 min) – hands-on experiments or simulations + short video content
 - o Social Studies (45 min) – interactive maps, story-based lessons, and short video segments
 - o Breaks (30–60 min total) – incorporated as needed to maximize focus

Monthly/Unit Breakdown:

- Units broken into 2–4 week blocks depending on complexity.
- Each unit includes:
 - o Lesson objectives and state standard alignment
 - o Daily focus points
 - o Assignments or interactive activities
 - o Suggested review/reinforcement strategies

5. PWA Learning Hub Integration

- All curriculum preloaded into the PWA Hub for offline/online access.
- Interactive lessons designed for touch, drag-and-drop, and click-based activities to engage kinesthetic and visual learners.
- Progress tracking and achievement system to motivate and record student learning.
- Easy-to-navigate dashboard for parents to view completed lessons, mastery, and standards coverage.
